Urgent! Shari'ah-compliant student loans: only a few days left!

Submitted by Abu Yousuf on Sat, 07/06/2014 - 15:47

Tuition fees for studying at university are now £9000 which is totally unaffordable for most students and their families. Even middle-class families would struggle to help out their children pay these fees.

Currently available student loans are based on a high interest rate which is not Shari'ah-compliant.

The consultation is the first step to an alternative Shari'ah-compliant solution.

It loves to cause major diseases... As much or as little as it pleases.
And when it's had about enough... It'll help you get to your last puff.

But why it is what it is, and how... These are questions that need answering now.
